

DASHWOOD

INSPIRED BY OUR PRECIOUS ENVIRONMENT

Dashwood embraces the natural beauty of the coastlines and unique flora and fauna that are synonymous with New Zealand. Taking inspiration from the native Pohutukawa that flowers in summertime along New Zealand's coastlines, our wines embody the care and respect we have for our precious environment.

WINEMAKING

Merlot grapes were selectively harvested and gently pressed off skin following a short skin contact period. Juice was fined to enhance purity and was inoculated with select yeast designed to promote cool fermentation temperature to retain vibrant fruit aromas. Following the fermentation this wine spent a short amount of time on lees to build structure in the palate and then prepared for bottling.

ROSÉ 2020

Our Rosé is bright blush pink in colour, and is best paired with dishes incorporating fresh garden vegetables.

Aromas of wild strawberries, melon and delicate citrus are pulled together by an inviting creamy note on the palate, giving wine generosity and fullness.

ALCOHOL: 12.5%

pH: 3.30

TA: 5.90

RS: 4.80

REGION: Hawkes Bay, New Zealand

COMPOSITION: 82% Merlot
