

DASHWOOD

INSPIRED BY OUR PRECIOUS ENVIRONMENT

Dashwood embraces the natural beauty of the coastlines and unique flora and fauna that are synonymous with New Zealand. Taking inspiration from the native Pohutukawa that flowers in summertime along New Zealand's coastlines, our wines embody the care and respect we have for our precious environment.

WINEMAKING

Grapes were harvested in and gently pressed following short period of contact with the skins. Cool fermentation to retain pure and vibrant fruit aromas was followed by a short amount of time on lees to build structure in the palate.

ROSÉ 2022

A pale blush pink rosé with aromas of strawberry, melon and a touch of florals. A creamy, generous palate with an underlying savoury textured note make for an intriguing rosé making you go back for another sip. Best paired with dishes incorporating fresh seafood, cheeseboards and creamy desserts.
